Stepping Stones is not charging rent for meetings.

7th Tradition will be accepted.

Please email completed form to steppingstoneszoom@gmail.com

Once the meeting is set up through the Stepping Stones platform, the secretary and group members will be solely responsible for their meeting. Meetings are not recorded or monitored by Stepping Stones. The highest available security and encryption will be provided in the meeting set up. It is suggested that Secretaries work with other members to remove disruptive individuals—should the need arise—as each group’s conscience decides.
